Dr. Sharla Smith shared the JAMA article that highlights homicide being the number one cause of death based on two papers (2011 and 2014):

- Homicide and Suicide During the Perinatal Period: Findings from the National Violent Death Reporting System: Mitchell C, Lawton E, Morton C, McCain C, Holtby S, Main E. California pregnancy-associated mortality review: mixed methods approach for improved case identification, cause of death analyses and translation of findings. *Matern Child Health J.* 2014;18(3):518-526. doi:10.1007/s10995-013-1267-0PubMedGoogle ScholarCrossref
- Palladino CL, Singh V, Campbell J, Flynn H, Gold KJ. Homicide and suicide during the perinatal period: findings from the National Violent Death Reporting System. *Obstet Gynecol.* 2011;118(5):1056-1063. doi:10.1097/AOG.0b013e31823294da
