Kansas Perinatal Quality Collaborative

Speaker Bios

Jodi Jackson, MD

Dr. Jodi Jackson is Chair of the KPQC. She is a neonatologist at Children's Mercy-Kansas City and the Medical Director of the NICU at Shawnee Mission Medical Center. Dr. Jackson co-developed Shawnee Mission Medical Center's Family Centered Neonatal Abstinence Syndrome Program.

Min. Nina Shaw-Woody, LMSW

Min. Nina Shaw-Woody is the Executive Director at Kansas Family Advisory Network also known as KFAN. KFAN is a statewide organization that provides prevention and intervention services to families who are at risk for, or are involved in, the child welfare system.

Betsy Knappen, MSN, APRN

Betsy Knappen is the Education and Quality Improvement Coordinator for the KPQC. Betsy is a Neonatal Nurse Practitioner for Children's Mercy Hospital and co-developed Shawnee Mission Medical Center's Family Centered Neonatal Abstinence Syndrome Program.

Sarah Fischer, MPA

Sarah Fischer, MPA, is the Director of the Children and Families Section within the Bureau of Family Health and KS Department of Health and Environment. Sarah provides guidance for the MIECHV Home Visiting Grant, Title V Maternal and Child Health Aid to Local Grants as well as the Title X Family Planning and Reproductive Health Programs. Sarah also serves as the agency contact for the KPQC as well as the Kansas Maternal Mortality Review Committee.

Krista Machado, MS

Krista Machado is a Project Manager at DCCCA. Krista facilitates the statewide Kansas Prescription Drug and Opioid Advisory Committee and coordinates efforts to address prescription drug and opioid misuse and overdose across Kansas.

Sandra Dixon, LMSW

Sandra Dixon is the Director of Behavioral Health Services at DCCCA. DCCCA coordinates a comprehensive substance use disorder treatment approach for pregnant and parenting women, including opportunities for children to remain with their mothers during treatment.

Lynnea Kaufman

Lynnea Kaufman is the Assessment and Prevention Program Administrator in Prevention and Protection Services with the Kansas Department for Children and Families.

The WSU Community Engagement Institute

The Community Engagement Institute is dedicated to improving the health of Kansans through leadership development, research and evaluation, organizational capacity building, community collaboration, and public health and behavioral health initiatives.
