Today's Speakers

Sarah Fischer, MPA

Ms. Fischer is the Director of the Children and Families Section within the Bureau of Family Health of the KS Department of Health and Environment. She serves as the agency contact for both the KPQC as well as the Kansas Maternal Mortality Review Committee.

Jodi Jackson, MD

Dr. Jackson is Chair of the KPQC. She is a neonatologist at Children's Mercy-Kansas City and the Medical Director of the NICU at Shawnee Mission Medical Center. Dr. Jackson co-developed Shawnee Mission Medical Center's Family Centered NAS Program.

Taylor Bertschy, DO

Dr. Bertschy supervises quality improvement and patient safety initiatives for Wesley Medical Center's Labor and Delivery unit. She is also Associate Program Director of KU-Wichita's obstetrics and gynecology residency program.

Alisha Sanchez, MD

Dr. Sanchez is a clinical assistant professor of Pediatrics at the KU School of Medicine. Dr. Sanchez has been a pediatrician since 2002.

Daniel Warren, MD

Dr. Warren is medical director at Wichita Treatment Center and prescribes buprenorphine for opioid use disorder at HealthCore Clinic. He is working with KU Med to develop a community response to substance use by developing skills in the primary care workforce.

Donna Gorman, MS, LCMFT, LCAC

Ms. Gorman is Residential Clinical Coordinator and addiction counselor for DCCCA Women's Recovery Center. She has more than 20 years of experience working with children, families and adults in the fields of mental health and addiction.

Betsy Knappen, MSN, APRN

Betsy Knappen is the Education and Quality Improvement Coordinator for the KPQC. Betsy is a Neonatal Nurse Practitioner for Children's Mercy Hospital and co-developed Shawnee Mission Medical Center's Family Centered Neonatal Abstinence Syndrome Program.

Josel Doyle, MD

Dr. Doyle is a Neonatologist at Stormont Vail Healthcare and St. Francis Health Center in Topeka. She is a member of the Mednax NICU Breakthrough Collaborative for NAS QI, Family centered care QI, and Apnea and length of stay QI.

Min. Nina Shaw-Woody, LMSW

Min. Nina Shaw-Woody is the Executive Director of Kansas Family Advisory Network also known as KFAN. KFAN is a statewide organization that provides prevention and intervention services to families who are at risk for, or are involved in, the child welfare system.

Kourtney Bettinger, MD, MPH

Dr. Bettinger is Chairperson-Elect of the KPQC. She is assistant professor of Pediatrics at the University of Kansas Medical Center. She has worked to implement NAS best practices in the KUMC nursery and primarily uses her public health training to improve newborn health.

Laurin Kasehagen, MA, PhD

Dr. Kasehagen is the Senior MCH Epidemiologist and the CDC Assignee to Vermont. She is one of the lead members of the Council of State and Territorial Epidemiologists working the Neonatal Abstinence Syndrome Standardized Surveillance Position Statement.

The WSU Community Engagement Institute

The Community Engagement Institute is dedicated to improving the health of Kansans through leadership development, research and evaluation, organizational capacity building, community collaboration, and public health and behavioral health initiatives.
