# Today's Speakers

## **Jodi Jackson, MD**

Dr. Jackson is Chair of the KPQC. She is a neonatologist at Children's Mercy-Kansas City and the Medical Director of the NICU at Shawnee Mission Medical Center. Dr. Jackson co-developed Shawnee Mission Medical Center's Family Centered NAS Program.

## **Betsy Knappen, MSN, APRN**

Betsy Knappen is the Education and Quality Improvement Coordinator for the KPQC. Betsy is a Neonatal Nurse Practitioner for Children's Mercy Hospital and co-developed Shawnee Mission Medical Center's Family Centered Neonatal Abstinence Syndrome Program.

## **Amy White, BSN, RN**

Celebrating her 25th year as a registered nurse, Amy White currently holds a dual position as Lecturer/Simulation Coordinator at Washburn University and as a Clinical Nurse Leader on the New Life Center at the University of Kansas Health System St. Francis Campus.

## **Stacey Jones, MSN, APRN**

Stacey Jones is a Certified Neonatal Nurse Practitioner providing acute and chronic medical management involving high-risk infants at Wesley Medical Center's NICU. She served on the team that developed Wesley's NAS protocol.

## **Chelsea James, BSN, RN**

Chelsea James is the OB Manager of Hiawatha Community Hospital. She is passionate about the growth of the OB department, staff education, and quality patient care. Chelsea's focus is on maintaining specialty OB care in a rural hospital.

## **Heather Staab**

Heather Staab is Statewide Coordinator for Kansas Infant-Toddler Services with the Kansas Department of Health and Environment Bureau of Family Health. Her administration assures early intervention services for infants and toddlers with disabilities and their families.

## **Jennifer Miller, DrPH, MA, CPH**

Jennifer Miller is the Health Planning Consultant for Maternal and Perinatal Initiatives within the Bureau of Family Health at KS Depart. of Health and Environment. She serves as the agency lead for the KPQC and for the Kansas Maternal Mortality Review Committee.

## **Taylor Bertschy, DO**

Dr. Bertschy supervises quality improvement and patient safety initiatives for Wesley Medical Center's Labor and Delivery unit. She is also Associate Program Director of KU-Wichita's obstetrics and gynecology residency program.

## **Randall Morgan, MD**

Randall Morgan is an OB/GYN practicing in Wichita while also focusing on improving healthcare. He has worked locally with Wichita hospitals, regionally with the State Of Kansas and nationally as faculty for The Institute For Healthcare Improvement.

## **Kourtney Bettinger, MD, MPH**

Dr. Bettinger is Chairperson-Elect of the KPQC. She is clinical assistant professor of Pediatrics at the University of Kansas Medical Center. She has worked to implement NAS best practices in the KUMC nursery and uses her public health training to improve newborn health.

## **The WSU Community Engagement Institute**

The Community Engagement Institute is dedicated to improving the health of Kansans through leadership development, research and evaluation, organizational capacity building, community collaboration, and public health and behavioral health initiatives.
