# Kansas Department of Health & Environment (KDHE)

## Bureau of Family Health (BFH)

**Mission:** Provide leadership to enhance the health of Kansas women, men and children in partnership with families and communities. The Bureau supports a statewide system of public health services across the life course including licensing and regulation of facilities providing out-of-home care to children.

**Bureau Director:** Rachel Sisson | 785-291-3368 | [www.kdheks.gov/bfh](http://www.kdheks.gov/bfh) | [kdhe.bfhadmin@ks.gov](mailto:kdhe.bfhadmin@ks.gov)

## Maternal & Child Health (MCH) with Affiliated Programming

### Maternal & Child Health (MCH) including Special Health Care Needs (SHCN)

- Provides access to comprehensive services through local agencies for all individuals (ages birth through adulthood) with low income or limited access to health services through partnerships with local agencies  
NOTE: MCH State Action Plan reflects Title V MCH Services Block Grant activities for all populations  
<https://www.kdheks.gov/c-f/mch.htm>
- Perinatal Community Collaboratives improve maternal health and well-being, birth outcomes, eliminate disparities, and reduce infant mortality by delivering the Becoming a Mom (BaM) prenatal education program, based on the KDHE and March of Dimes partnership, and ensure comprehensive care and support services for the mom, infant, and family during pregnancy and the postpartum periods.  
[https://www.kdheks.gov/c-f/perinatal\\_community\\_collaboratives.htm](https://www.kdheks.gov/c-f/perinatal_community_collaboratives.htm)
- Special Health Care Needs (SHCN) promotes the functional skills of persons, who have or are at risk for a disability or chronic disease; provides supports and services based on eligibility  
<https://www.kdheks.gov/shcn/index.htm>

### Home Visiting

- Universal MCH Home Visitors provide outreach, support, and referrals to other community services for pregnant women and families with infants up to one year; health, psychosocial and nutrition assessments are provided through a collaborative effort among public health and other providers  
<http://kshomevisiting.org/universal-home-visiting/>
- Maternal, Infant, Early Childhood Home Visiting (MIECHV) delivers voluntary, evidence-based home visiting programs for at-risk pregnant women and parents with young children, birth to 5 years; targeted to urban Wyandotte County and four counties in rural Southeast KS <http://kshomevisiting.org/learn-more-about-miechv/>

### Pregnancy Maintenance Initiative (PMI) (authorized by K.S.A. 65-1,159a)

- Provides an array of social services to support pregnant women and mothers up to 6 months postpartum including pregnancy maintenance (carrying to term), adoption services, education, and information. Services do not include performing, promoting, or referring for abortion <https://www.kdheks.gov/c-f/pmi.htm>

### Teen Pregnancy Targeted Case Management (TPTCM)

- Provides access to individualized, comprehensive case management services for KanCare-eligible (Medicaid) pregnant and/or parenting women up to 21 years of age to assist with services/supports and goal attainment <https://www.kdheks.gov/c-f/teen.html>

### Lifting Young Families Toward Excellence (LYFTE)

- Strengthens the education, employment/career, and relationship opportunities for pregnant and parenting adolescents 21-24 years of age enrolled in school by providing case management with wrap-around services to evidence-based programs, through a youth driven approach incorporating technology driven mentorship and incentives; target communities: Northeast (Geary), Southwest KS (Kearny), Southcentral KS
