# TOGETHER

*we can help moms thrive!*

The effects of untreated perinatal mental health and substance use ripple through families and we all know that treatment options are often limited or lack capacity.

## PERINATAL PROVIDER CONSULTATION LINE

for BEHAVIORAL HEALTH

**(833) 765-2004**

or visit [bit.ly/ProviderConsult](https://bit.ly/ProviderConsult)

*8:00 am-5:00 pm, Weekdays*

Staffed by licensed mental and behavioral health clinicians. All voicemails and emails will be returned within 24-hours.

This **free service** is open to Kansas healthcare or social service providers working with perinatal patients.

**Symptom identification and treatment planning**

**Patient resources and local referral options**

**Psychiatric consultation for medication and dosage recommendations**

**Integrate telehealth into clinical setting (infrastructure & DIRECT SERVICES)**

1

We will gather the reason for call, your information, patient's perinatal status, and patient's screening results (if applicable).

2

Your call will be addressed and triaged. No patient identifying information will be requested.

3

If your call would benefit from a Psychiatric teleconsultation, a time will be scheduled.

For additional resources including customized training opportunities for your clinic, email [KCC@ku.edu](mailto:KCC@ku.edu)
