Note – due to the Zoom platform, we don't know definitively who was actually in attendance as some accessed the meeting via telephone and some facilities had multiple individuals on the call.

Opening Statements

- Dr. Devika Maulik, KPQC Executive Committee Chair welcomed the group and made introductions.
- Terrah Stroda, FTI QI Coordinator, celebrated those facilities that have enrolled in the First Trimester Initiative.
- Dr. Lee Norman, kicked off the meeting with an introduction to postpartum care for our state, and what the future will hold.

Fourth Trimester Initiative Rollout

Postpartum Care, Reinvented

- The KPQC has been evaluating a bundle from the Alliance for Innovation on Maternal Health (AIM). The Postpartum care basics for maternal safety: Transition from maternity to well-woman care is the starting point for our work. Kansas intends to enroll in AIM in the Fall of 2021.
- Terrah Stroda shared the goals of enrollment in the new initiative as well as shared the baseline data from those that are enrolled. This final data report will be shared after first round of enrollment is complete at the end of May.
- **Fourth Trimester Initiative Action Plan**

Immediate PP

- Discharge Summary
- Care Plan + Mom Plan
- Maternal Warning Signs
- AWHONN
- Racial equity, Social Determinants, Navigation

Post-discharge PP

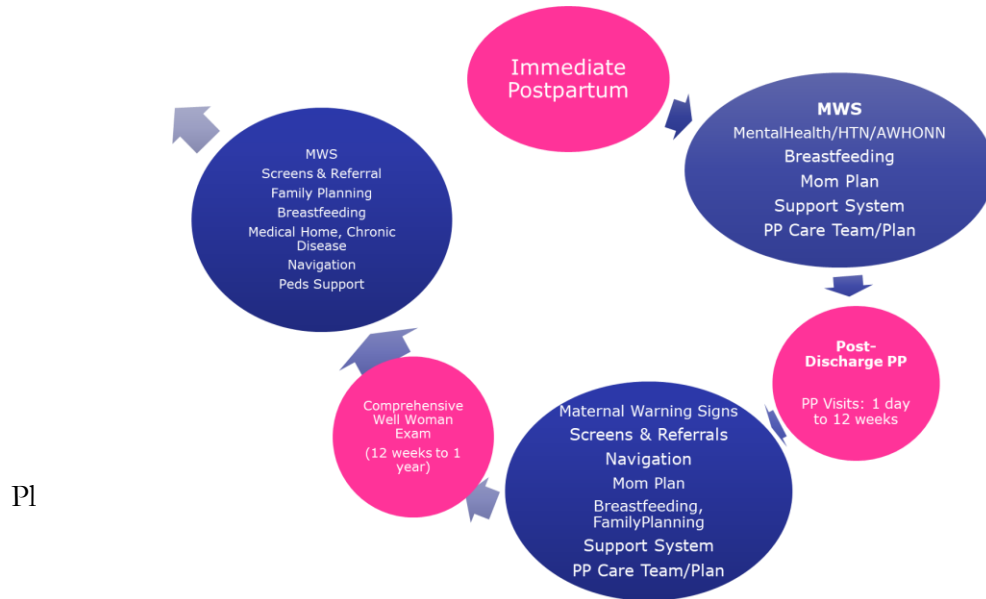

- Discharge Summary
- Care Plan + Mom Plan
- MWS follow up and re-evaluation

Beyond 12 Weeks

- Comprehensive Well Woman Exam

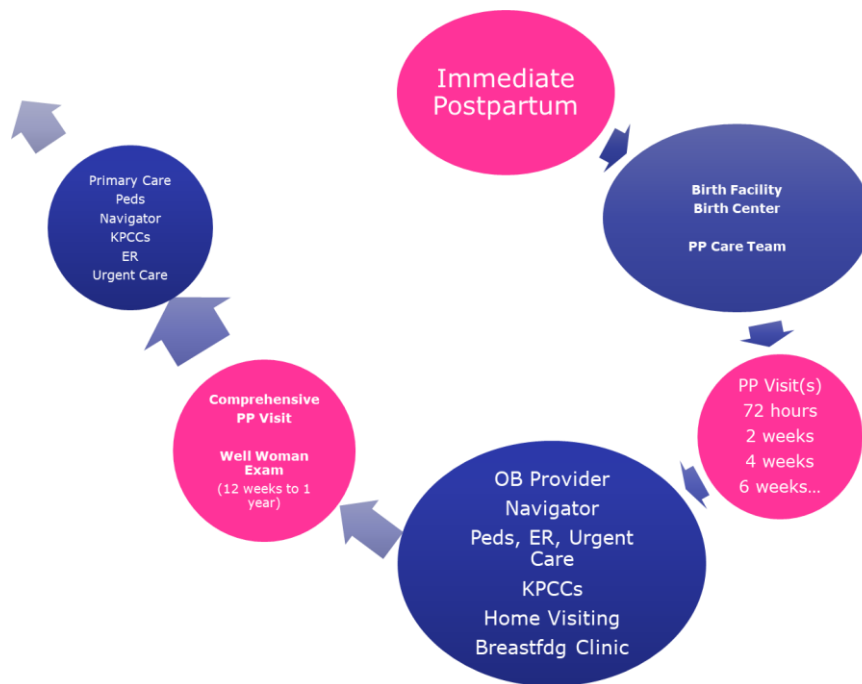

- The Fourth Trimester Initiative process and details were introduced to the group as well as reviewing some case studies. The following diagrams demonstrate the process and those involved.

Immediate Postpartum to 1 Year

PI

Who Does the Work

Connection

- **Sapphire Garcia – Lies**, President, Wichita Birth Justice Society & Patient Representative for the Fourth Trimester Initiative Committee, spoke on the importance of hearing the patient in this work and combatting discrimination and our own implicit biases as we move forward.
- **Breakout Sessions** – The large group was split up into three small groups for discussion and continued education on:
 - KIC website
 - Postpartum Care teams

Business Meeting

- **Bylaw Revisions**
Kasey Sorell, KDHE presented the group with two bylaw amendments.
 1. **Amendment 1** - Vision Statement
Article I Section I, 1.1 Vision (inclusive language)
 - ~~Kansas is the best place to be born and to be a mother~~
 - Kansas is the best place to birth, be born, and to raise a family

There was a motion to approve, with a majority in approval.
 2. **Amendment 2** - Dr. Morgan added to the KPQC Executive Committee
Article IV Section II, 2.6 (Adding Dr. Morgan officially)
2.6 The leadership of the Kansas Maternal Mortality Review Committee will appoint a member of their choosing to serve on the Executive Committee of the KPQC. This individual has voting rights and is exempt from Executive Committee member term limits. Any change in KMMRC representative shall be in writing and given to the KPQC Chairperson.

There was a motion to approve, with a majority in approval.

- **FTI Logo Options**

Two options were presented to the group to gather opinions on which logo would be preferred. Logo # 1 was the preferred choice.

Upcoming Events

First Trimester Initiative Trainings-Part 1

- Required training for enrolled facilities/centers
 - June 16 (9-1pm)
 - June 22 (12-4pm)

KPQC Learning Forums

- Monthly learning opportunities will resume in July.

About the Community Engagement Institute

Wichita State University's Community Engagement Institute is dedicated to improving the health of Kansans through leadership development, research and evaluation, organizational capacity building, community collaboration, and public health and behavioral health initiatives. The Community Engagement Institute maintains six Centers with skilled staff that work directly with community coalitions, nonprofits, government entities, health and human services organizations, and support groups. The Centers are:

- Center for Applied Research and Evaluation
- Center for Behavioral Health Initiatives
- Center for Leadership Development
- Center for Organizational Development and Collaboration
- Center for Public Health Initiatives
- IMPACT Center
